

# VM Photography & Makeup Testimonials

|| Violetta has an incredible sense of style, which is essential for fashion and portrait photography. In our sessions where she also handled the makeup, the transformation made a huge impact on the photos. If only I could look like that everyday! Being not so at ease in front of photoshoots, she was very helpful in directing my movements and poses. Her great eye for style translates vividly in her finished work. ||

|| My company has contracted VM Photography & Makeup to shoot our design projects on more than one occasion. Violetta is a professional, efficient, and skilled photographer. Regardless of the subject matter, Violetta brings a beautiful, artistic eye to the shoot resulting in quality photography work. VM Photography & Makeup also worked with us on our professional head shots. Everyone felt so comfortable with Violetta and the end results were really perfect. Not only is Mrs. Markelou a truly talented individual, she is a genuine, soulful person that is committed to the art of photography and understands the relationship between this art to the end user resulting in a perfectly balanced approach and enjoyable experience. ||

|| Violetta is the consummate artist. My partner and I had the pleasure of working with Violetta for our engagement party and portraits and her natural ability to see things that others do not created the perfect photographs that captured our essence in such a unique way. We were so thrilled that we immediately hired her to capture our upcoming wedding. She is pure class and creates more than memories! ||

|| We had the pleasure of working with Violetta and her team during our 'editorial-style' engagement photoshoot. We are getting married in a castle on the Black Sea and we wanted the pictures for our website. The shoot was meant to project a theme of understated opulence and retro glamour and Violetta sure delivered! From location and styling to the posing and mood - every detail was impeccably put together!

Violetta exceeded our expectations far and beyond - accommodating our preferences and ensuring everything is running smoothly. She was professional and fun to work with!

Violetta made us feel comfortable and provided great direction, which was much appreciated by us being amateur posers. We are thrilled with the result!

Thank you Violetta for an outstanding job! ||
